

Managing Successful Programmes Advanced Practitioner only

This 2-day accredited course is designed for candidates who have already passed the MSP™ 2007 Foundation and Practitioner examinations. The course provides a workshop environment for preparing for the MSP 2007 Advanced Practitioner examination, and concludes with delegates taking the examination on the afternoon of the second day.

Course duration

2-days including examination, with recommended 10 hours pre-study time required.

Who should attend?

It is designed to support any one aspiring to a senior role in a programme and who has already passed the MSP 2007 Foundation and Practitioner examinations.

Course content

- Tutor led workshops and exercises which will give delegates practical experience of applying MSP using a case study.
- Sample questions to develop deeper understanding of MSP, the MSP case study, and preparation for the Advanced Practitioner examination.
- The Advanced Practitioner exam. The MSP Advanced Practitioner exam will be taken on the afternoon of the second day. The exam consists of up to three compulsory questions on different units from the syllabus to be answered within a time limit of 2 hours and 30 minutes, inclusive of reading time. The examination will be based on a complex scenario (MSP care) which will be issued as part of the pre-course materials and used during the training course.

Course objectives

Delegates will be able to:

- Demonstrate discernment and judgement of critical programme information
- Take a broad view of the health and management of a programme
- Recommend and apply pragmatic solutions to programme scenarios
- Assess quickly the impact of external changes upon the programme
- Take the MSP Advanced Programme Management examination

Pre-requisites

Delegates must have passed the MSP 2007 Foundation and Practitioner exams.

Course style

The course will be interactive and focussed on the MSP method and how it can be applied to the project scenario. The course will also include the MSP Advanced Practitioner examination.

Course venues and dates

This course is available both as an open public course and also as an in-house programme. To discuss dates and venues please contact Provek.
