

PRINCE2® Practitioner Readiness Assessment

The PRINCE2 (2009 revision) Practitioner examination is a three-hour multiple choice type question paper which will replace the essay type questions. Provek's experience and expertise as both the leading provider of online project management assessment and as a long established PRINCE2 Accredited Training Organisation, has been invested in creating an online assessment of readiness to take the PRINCE2 Practitioner examination. The free assessment provides you as a potential candidate with an insight into the style and format of the new examination as well an indication of whether you will pass.

Candidate Benefits

- Helpful to Practitioner and Re-Registration candidates
- Gives you with comfort regarding the style, format and content of the typical Practitioner examination paper
- Provides you with an indication of readiness to take the multiple choice type question paper
- Optional detailed report shows you where to focus your learning effort
- Builds your confidence of readiness if you are undertaking distance learning as an option
- No waiting for results!

Assessment Features

- Covers all syllabus topics
- Meets the APMG editorial standards for the new PRINCE2 examination
- Uses five types of questions – Classic, Multiple Choice, Multiple Response, Matching, and Assertion-Reason.
- Provides a single page personal report immediately
- Optional detailed report gives overall score, graphical spread by topic, performance by question type and recommendations.
- Accessible by a standard web browser across the internet
- Takes approximately 45 minutes

PRINCE2 Practitioner Readiness Assessment

ID:10391 18-Jun-07
 PRINCE2P-v6.1

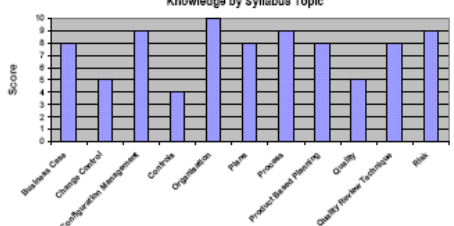

Name: James Smith james.smith@provek.co.uk

You described your overall project role as level 5 PM (Multiple) in that you have managed a few projects. You indicated that you attained PRINCE2 Foundation less than three years ago.

Overall, you scored an average of 75% which tends to indicate that you will probably pass the new style multiple choice PRINCE2 Practitioner examination.

The graph below shows the breakdown of your scores by syllabus topic. This indicates that the topics you scored well were Configuration Management, Organisation, Processes and Risk. On the other hand, Controls, Change Control and Quality were topics in which you scored poorly.

Knowledge by Syllabus Topic

Three broad question types are deployed in the new PRINCE2 Practitioner Examination and your scores in these types are given in the table below.

Question Type	Multiple Choice, Multiple Response and Yes/No	Matching Questions	Assertion Reason Tests	Total
Average Score	80%	85%	40%	75%

For more information about Provek's distance learning and examination options, including self-study only, please contact Erica Gasson on 01635 524610 or erica.gasson@provek.co.uk
