Thank you for completing Provek's online PRINCE2 2009 Practitioner Lite exam readiness assessment.

Your overall score was 61%. The Pass Mark for the PRINCE2 2009 Practitioner exam is 55%

Provek provides industry-standard courses in project and programme management, for individuals and organisations, leading to recognised qualifications.

We can provide courses at introductory, foundation, intermediate and practitioner levels across all leading project management areas, including:

- PRINCE2 Registered Practitioner
- PRINCE2 Registered Practitioner Revision Workshop
- PRINCE2 Practitioner Re-Registration Workshop
- Managing Successful Programmes Foundation & Practitioner
- APM Introductory Certificate
- APMP Certificate
- APMP Exam Workshop

Provek's industry-leading Project Management Assessment tool helps ensure that you study for the most appropriate level of APM qualification. We enjoy pass rates that comfortably exceeds the industry average, as well as consistently high student satisfaction ratings, and our pricing is most competitive.

For public course dates, please see our 2010 course schedule on our website at [www.provek.co.uk](http://www.provek.co.uk)

For more information about Provek's distance learning and examination options, including self-study only, please contact Erica Gassor on 01635 524610 or [erica.gassor@provek.co.uk](mailto:erica.gassor@provek.co.uk)
